Drive Through the Competition

Playing racing games will never be the same again. The Trust GXT 1155 Rally makes racing more realistic than ever. This gaming chair is designed for gamers who take their racing sims seriously. Its universal design means you can use any steering wheel and pedals set you desire*, for any platform you'd like. And when you're done, the Trust Rally is foldable so it's easily stored away. *Steering wheel and pedals not included

Fully Adjustable

The Trust GXT 1155 Rally uses a strong metal base, making this chair durable and stable. The comfortable design of this chair will keep you racing all day long, making you feel like a race car driver. And it's fully adjustable, too. Both the arm length as well as the leg length can be adjusted, making this racing chair suitable for anyone up to 210cm tall. Thanks to the adjustable angle of the footplate, any gamer is sure to race comfortably.

Universal

It doesn't matter what kind of gamer you are, the Trust GXT 1155 Rally is suitable for you. It works with virtually any steering wheel and pedals set, on any platform you like. You can be a console or pc gamer, a fan of simulations or arcade racers, the Trust Rally will make you feel like you're inside of the car.

Be the Quickest

The Trust Rally is extremely easy to setup. Whenever you're up for a race, just set it up and install your preferred racing wheel. And after you're done being the fastest on the track, the Trust GXT 1155 Rally is stored away just as fast. Thanks to the foldable design, you'll have this racing seat out of the way in no-time. Speed is everything both on and off the tracks.
