BACKREST

STRONG &  
ROBUST

## Comfort Is King

Gamers know that playing for hours on end can put strain on your body. That's why you need a chair that supports you through your biggest adventures and most hard-fought battles. The Trust GXT 712 Resto Pro Gaming Chair, with its adjustable backrest, removable lumbar and neck pillows, 4D armrests and support for a weight of up to 150kg, treats you like royalty.

## Ergonomic and Spacious

The high-density padding in both the seat and backrest complements the ergonomic design of the Resto Pro Gaming Chair, while the included lumbar and neck pillows prevent strain and provide ultimate comfort. Because of the spacious design, it fits every gamer easily.

## Strong as You Are

The Trust Resto Pro is a premium gaming chair that feels solid and sturdy thanks to the use of extremely strong materials. The base of this chair is made of metal, making it very robust, while the strong 65mm wheels still provide smooth rolling movement on any surface. It supports up to 150kg of weight and is even spill resistant. The last thing you want to worry about during gaming is your chair.

## Go for Gold

Who wants a chair to be boring? The Trust GXT 712 Resto Pro is made for gaming royalty. That's why we've outfitted the vegan PU leather with elegant, golden-coloured stitching and suede look-and-feel details, making this chair a thing to behold in any game room.
