

You *better*  
sit down for this

The ENDORFY Meta BK is your place in the world. We're serious – you'll never want to leave it because it's as comfortable as a bed in a five-star hotel. We've dressed it in a black airy fabric that looks good and make sure that your back doesn't get too hot. Even if you sit in it for several hours (of course our recommendation is to move around every once in a while);)

Unique design

High quality fabric

Wide range of adjustment

Synchronous mechanism

Highest-, 4-class gas lift
