

AR-4 Series

Slim Aluminum Monitor Riser

Raise a Little - Make a Difference - Improve Your Viewing Position

LUMI
ergo

Frees up space by storing the keyboard and mouse under the riser.

Slim but durable construction holds up to 20kg/44lbs.

Non-slip silicone pad keeps the riser stable.

Slim Aluminum Monitor Riser

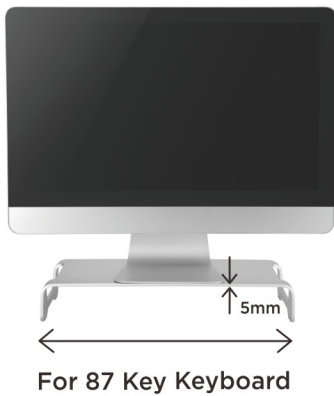

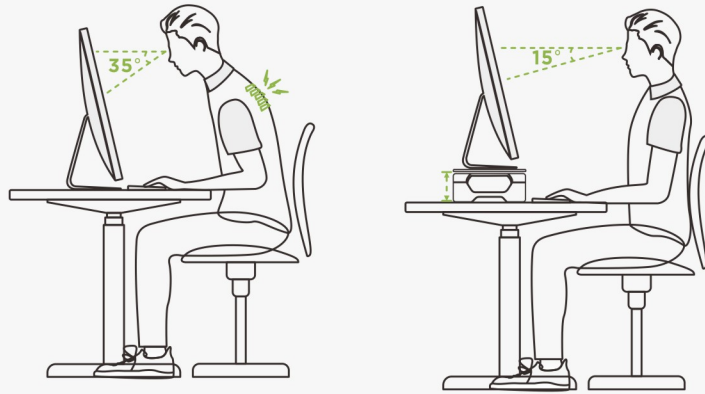

Raise a Little - Make a Difference - Improve Your Viewing Position

Raise

your monitor to a proper height.

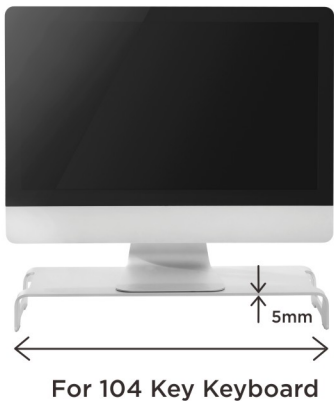

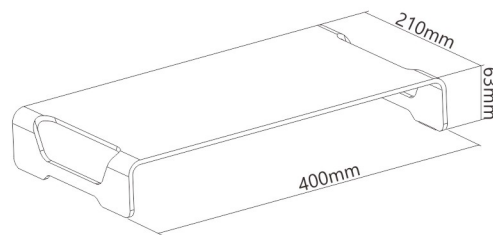

Improve

viewing angles and postures.
